

THE MUMMY SHAKE

Video Lyrics

Verse 1

I was walking in the orchard after harvest one night
When my eyes beheld an eerie sight
For I saw that my trees still had nuts on them
And suddenly I knew it must begin

Chorus

(He needs to shake)
I need to mummy shake
(The mummy shake)
A sanitation break
(He needs to shake)
Stop navel orangeworm outbreak
(He needs to shake)
I need to mummy shake

Verse 2

Called a PCA from my pick-up truck
Who said mummy nuts cannot stay stuck
Winter sanitation should not be ignored
Let's follow tips from the Almond Board

Chorus

(It's time to shake)
I need to mummy shake
(The mummy shake)
A sanitation break

(It's time to shake)

Stop navel orangeworm outbreak

(It's time to shake)

They say to mummy shake

Verse 3 (like a bridge)

Mummy nuts can become winter houses

For navel orangeworm spouses

The first flight in spring could be huge

If we don't destroy their orchard refuge

Verse 4

The scene was shakin'; mummies fell to the ground

After the shake, I sent flail mowers around

When wetter conditions didn't come through

I also used a hand poling crew

Chorus

(He did the shake)

I did the mummy shake

(The mummy shake)

A sanitation break

(He did the shake)

Stop navel orangeworm outbreak

(He did the shake)

I did the mummy shake

Rest in peace, navel orangeworm

Adios, insect damage

Hello, higher harvest yields!

No more mummy nuts
