

List of Incentive Programs for Agricultural Water Use Efficiency, Water Quality and Energy Stewardship/Air Quality

Program Clickable Link	Ag Area(s) Focus	Equipment/Practices Funded	Eligibility	Incentive	Availability	Due Date
Carl Moyer Memorial Air Quality Standards Attainment Program California Air Resources Board (CARB)	Energy Stewardship/Air Quality	Cleaner-than-required engines and equipment (pumps/tractors)	Private businesses Statewide	Cost share	Open	Year round
Environmental Quality Incentives Program (EQIP) USDA Natural Resources Conservation Service (NRCS)	Water Use Efficiency, Water Quality, Energy Stewardship/Air Quality	Conservation equipment and practices	Private businesses Statewide	Cost share	Open	Year round
EQIP Bay Delta Initiative NRCS	Water Use Efficiency, Water Quality	Conservation equipment and practices	Private businesses Central Valley	Cost share	Open	Year round
EQIP On-Farm Energy Initiative NRCS	Energy Stewardship/Air Quality	Energy audit and conservation equipment (e.g., pumps, VFDs)	Private businesses Statewide	Cost share	Open	Year round
Conservation Stewardship Program (CSP) NRCS	Water Use Efficiency, Water Quality, Energy Stewardship/Air Quality	Conservation equipment and practices	Private businesses Statewide	Cost share	Late 2015	Not set
Regional Conservation Partnership Program (RCPP) NRCS	Water Use Efficiency, Water Quality	Comprehensive projects addressing water conservation	Producer groups Statewide	Grants	Pending	Not set
Agricultural Conservation Easements Program (ACEP) NRCS	Water Quality	Wetlands protection, restoration and enhancement	Private businesses Statewide	Cost share	2016	Not set
State Water Efficiency and Enhancement Program (SWEET) California Department of Food and Agriculture (CDFA)	Water Use Efficiency, Energy Stewardship/Air Quality	Conservation equipment (e.g., flow meters, weather stations, micro-irrigation systems, VFDs, solar power systems)	Private businesses Statewide	Cost share	11/20/2015	01/08/16

List of Incentive Programs for Agricultural Water Use Efficiency, Water Quality and Energy Stewardship/Air Quality

Program Clickable Link	Ag Area(s) Focus	Equipment/Practices Funded	Eligibility	Incentive	Availability	Due Date
Financial Assistance Funding - Grants & Loans California State Water Resources Control Board (SWRCB)	Water Quality	Comprehensive projects addressing water quality	Producer groups Statewide	Grants and loans	Pending	Not set
California Solar Initiative for Business Southern California Edison (SCE)	Energy Stewardship/Air Quality	Solar power systems	Private businesses SCE service area	Rebates	Open	Year round
Agricultural and Pumping Interruptible Program SCE	Energy Stewardship	Credits for service disruptions during high-demand periods	Private businesses SCE service area	Credits to bill	Open	Year round
Pump Testing Program SCE	Energy Stewardship/Air Quality, Water Use Efficiency	Pump tests and retrofits or repairs	Private businesses SCE service area	Subsidized tests and rebates	Open	Year round
Self-Generation Incentive Program SCE	Energy Stewardship/Air Quality	Non-solar self-generation power systems (e.g., wind, fuel cell, waste heat recapture)	Private businesses SCE service area	Rebates	2016	Not set
Advanced Pumping Efficiency Program Pacific Gas & Electric (PG&E)	Energy Stewardship/Air Quality, Water Use Efficiency	Pump tests and retrofits or repairs	Private businesses PG&E service area	Subsidized tests and rebates	Open	Year round
Energy Efficiency Rebates for Your Business PG&E	Energy Stewardship/Air Quality, Water Use Efficiency	VFDs, micro-irrigation systems, electric pump conversions, lighting, refrigeration, etc.	Private businesses PG&E service area	Rebates	Open	Year round
Energy Management Programs PG&E	Energy Stewardship/Air Quality	Time-of-use and demand-response discounts, energy efficient equipment	Private businesses PG&E service area	Rate discounts, interest-free loans	Open	Year round

List of Incentive Programs for Agricultural Water Use Efficiency, Water Quality and Energy Stewardship/Air Quality

Program Clickable Link	Ag Area(s) Focus	Equipment/Practices Funded	Eligibility	Incentive	Availability	Due Date
Water and Energy Efficiency Program Modesto Irrigation District (MID)	Water Use Efficiency, Energy Stewardship/Air Quality	Irrigation system improvements	Private businesses MID service area	Rebates	Open	Year round
Energy Efficiency Program Turlock Irrigation District (TID)	Water Use Efficiency, Energy Stewardship/Air Quality	Irrigation system improvements	Private businesses TID service area	Rebates	Open	Year round
On-Farm Water Conservation Program South San Joaquin Irrigation District (SSJID)	Water Use Efficiency, Energy Stewardship/Air Quality	Irrigation system improvements	Private businesses SSJID service area	Cost share	Pending	Not set
Renewable Energy for America Program USDA	Energy Stewardship/Air Quality	Renewable energy systems and energy efficiency improvements	Private businesses Statewide	Grants and loan guarantees	Open	5/2/2016 for grants; year round for loans
Western Sustainable Agriculture Research & Education - Farmer/Rancher Grants (WSARE)	Water Use Efficiency, Water Quality, Energy Stewardship/Air Quality	Trials/demonstrations and outreach involving conservation equipment and practices	Growers working with Technical Advisor(s) Statewide	Grants	Open	12/2/2015
WSARE Professional + Producer Grants	Water Use Efficiency, Water Quality, Energy Stewardship/Air Quality	Trials/demonstrations and outreach involving conservation equipment and practices	Agricultural professionals working with grower(s) Statewide	Grants	Open	12/2/2015
Water & Energy Technologies (WET) Program California Energy Commission (CEC)	Water Use Efficiency, Energy Stewardship/Air Quality	Conservation equipment (e.g., flow meters, weather stations, smart irrigation systems, VFDs, solar power systems)	Private businesses Statewide	Rebates	Suspended	Not set
